MATC	61

Starting in Fall 2025 IPE 4900 and NURS 3131 will no longer be required for the BSPH. HCM 2000 Healthcare Ethics and PS 2010 Crisis and Emergency Management will replace them. The BSPH-specific course requirements will then total 30 credits, and the number of electives a student can take will be reduced to account for adding 2-credits to the required course load.

- Previously earned credits (D or above) from regionally accredited colleges or universities may be transferred in as general electives.
- Courses and program goals from CU Inc. are subject to change.
- This is a temporary evaluation.
